

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of \$0.28500 per \$100 valuation has been proposed by the governing body of City of Calvert.

PROPOSED TAX RATE	\$0.28500 per \$100
NO-NEW-REVENUE TAX RATE	\$0.27297 per \$100
VOTER-APPROVAL TAX RATE	\$0.28580 per \$100

The no-new-revenue tax rate is the tax rate for the 2023 tax year that will raise the same amount of property tax revenue for City of Calvert from the same properties in both the 2022 tax year and the 2023 tax year.

The voter-approval rate is the highest tax rate that City of Calvert may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Calvert is proposing to increase property taxes for the 2023 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON SEPTEMBER 11, 2023 AT 5:10 PM AT CALVERT CITY HALL.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, City of Calvert is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Calvert City Council of City of Calvert at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
