

NOTICE OF PUBLIC HEARING ON TAX INCREASE

A tax rate of 0.66539 per \$100 valuation has been proposed by the governing body of City of Hearne.

PROPOSED TAX RATE	\$0.66539 per \$100
NO-NEW REVENUE TAX RATE	\$0.55539 per \$100
VOTER-APPROVAL TAX RATE	\$0.67030 per \$100
DE MINIMIS RATE	\$0.82083 per \$100

The no-new-revenue tax rate is the tax rate for the 2020 tax year that will raise the same amount of property tax revenue for City of Hearne from the same properties in both the 2019 tax year and the 2020 tax year.

The voter-approval tax rate is the highest tax rate that City of Hearne may adopt without holding an election to seek voter approval of the rate, unless the de minimis rate for City of Hearne exceeds the voter-approval tax rate for City of Hearne.

The de minimis rate is the rate equal to the sum of the no-new-revenue maintenance and operations rate for City of Hearne, the rate that will raise \$500,000, and the current debt rate for City of Hearne.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that City of Hearne is proposing to increase property taxes for the 2020 tax year.

A public hearing on the proposed tax rate will be held on September 01, 2020 at 5:30 at Hearne City Hall.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, City of Hearne is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the Hearne City Council of City of Hearne at their offices or by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS FOLLOWS:

$$\text{property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$
